REACH – EU chemical legislation

REACH, the EU chemical legislation, entered into force as of June 1, 2008. In accordance with EU regulation No. 1907/2006, all manufacturers and importers of chemical substances must identify and manage the risks involved with the substances they manufacture and market.

We, the firm of Silhorko-Eurowater A/S, hereby confirm that we comply with REACH for all parts of our products as far as production, import, and use are concerned.

If you have any questions, please do not hesitate to contact us.

Best regards,

SILHORKO-EUROWATER A/S
